ACTIONS TO BE TAKEN BY CDP DEPOSITORS

Notice to CDP Depositors. The Notice to CDP Depositors has been despatched by the Company on 27 October 2017.

* For identification purpose only

CDP Depositors. CDP Depositors may continue to trade their Shares on the SGX-ST until the last day of trading which is tentatively 19 January 2018 based on the indicative Delisting timetable set out below.

CDP Depositors who wish to trade their Shares on the HKSE may withdraw and transfer their Shares from the CDP to CCASS or a CCASS participant at any time from the date of the Delisting Announcement.

CDP Depositors who currently do not have a trading account with a Relevant Broker should contact a Relevant Broker to enquire if they would be able to assist them in trading the Shares on the HKSE.

To facilitate the Share Transfer Process, the Company intends to:

- (i) assist the CDP Depositors who (a) currently do not have a trading account with a Relevant Broker; and/or (b) may be unsure as to how to open a trading account which will allow them to carry out the Share Transfer Process. To this end, the Company has arranged for the services of UOB Kay Hian Private Limited (“UOBKH”) to assist the CDP Depositors with opening a trading account to trade the Shares on the HKSE. Please note that UOBKH is not able to assist with opening a trading account if (a) the CDP Depositor is a citizen or resident of the United States of America and/or (b) the Share Transfer Process involves a change in the beneficial ownership of the Shares; and
- (ii) bear all fees and expenses imposed by the CDP and the Company’s share registrars as well as the handling fees imposed by UOBKH in connection with the Share Transfer Process for those CDP Depositors who choose to accept the Company’s assistance in appointing UOBKH as their broker to facilitate the Share Transfer Process before the Delisting Date in accordance with the indicative Delisting timetable as set out below. Details of such fees and expenses are set out in the Delisting Announcement.

The Relevant Broker appointed by a CDP Depositor (other than UOBKH) may charge separate fees for handling the Share Transfer Process. For the avoidance of doubt, the Company will not bear any charges which may be imposed by such Relevant Broker, CCASS or a CCASS participant (other than UOBKH) relating to the Share Transfer Process.

CDP Depositors who do not take any action in respect of the Delisting, and who still have Shares held with the CDP as at the Delisting Date (the “**Remaining Depositors**”) will have their Shares withdrawn from the CDP (all fees and expenses imposed by the CDP in this regard as detailed in the Delisting Announcement will still be borne by the Company). Physical share certificates representing the relevant Shares will be despatched by ordinary mail by the Company’s principal share registrar in Singapore to these Remaining Depositors based on their addresses recorded in the CDP’s depository register, and the names of these Remaining Depositors will be entered into the Company’s share register in Singapore as the respective holders of the relevant Shares. Despatch of the share certificate(s) will be made at the risk of the Remaining Depositors. These Remaining Depositors will have to make their own arrangements and bear their own costs and expenses to lodge their Shares with CCASS or a CCASS participant if they wish to sell or trade their Shares on the HKSE after the Delisting Date.

ACTIONS TO BE TAKEN BY CPFIS INVESTORS

CPFIS Investors may continue to trade their Shares on the SGX-ST until the last day of trading which is tentatively 19 January 2018 based on the indicative Delisting timetable as set out below.

For CPFIS Investors who have met the CPF withdrawal criteria, and have applied to CPF to withdraw and transfer their Shares to their personal CDP account, please refer to the section above entitled “ACTIONS TO BE TAKEN BY CDP DEPOSITORS”.

CPFIS Investors whose Shares are held with the CDP through their respective CPF Agent Banks as at the Delisting Date will have their Shares withdrawn from the CDP (all fees and expenses imposed by the CDP in this regard as detailed in the Delisting Announcement will still be borne by the Company). Physical share certificates representing the relevant Shares belonging to CPFIS Investors will then be forwarded to UOBKH for safe-keeping. For CPFIS Investors who wish to sell or trade their Shares on the HKSE after the Delisting Date, they may do so by opening a trading account with UOBKH to commence the Share Transfer Process. The Company will bear all fees and expenses imposed by the Company’s share registrars and UOBKH in connection with the Share Transfer Process if the Share Transfer Process is commenced by a certain deadline which will be notified by the CPF Agent Banks to the CPFIS Investors in due course.

The CPF Agent Banks will provide more information to the CPFIS Investors in due course. In the meantime, CPFIS Investors are advised to exercise caution when dealing in the Shares and refrain from taking any action in relation to their Shares which may be prejudicial to their interests. If they are in any doubt as to the action they should take, CPFIS Investors are advised to contact and consult their respective CPF Agent Banks and/or seek other independent professional advice.
